

Supporting the City of Los Angeles' Candidature to Host the 2024 Summer Olympic Games

On September 18, 2013, the Board of Supervisors sent a five signature letter to the United States Olympic Committee expressing the County's interest in bringing the Olympic and Paralympic Games to Los Angeles in 2024. Home to more Olympians than anywhere in the world, the County of Los Angeles has the opportunity to support the City of Los Angeles' candidature to host the 2024 Olympic and Paralympic Games.

Hosting the Games in Los Angeles requires strong partnership and commitment at all levels of government, local, regionally and nationally, to ensure the successful outcome for County residents, Olympic Athletes and their families and spectators from around the world. The County of Los Angeles should take this opportunity to join in this momentous planning effort and showcase to the world our diverse and vibrant region.

I, THEREFORE, MOVE THAT THE BOARD OF SUPERVISORS:

1. Direct the Chief Executive Officer to send a letter to the President of the International Olympic Committee expressing the Board's support of the City of Los Angeles' candidature to host the 2024 Olympic and Paralympic Games.
